THE PREFACE.

A Copy of the following Treaty, printed at Philadelphia in 1743, having fallen into my Hands, upon perusal, I judg'd its Contents deserved to be more generally known, than probably would have been from the few Copies which might be sent over.

To make it more instructive and entertaining, I had once Thoughts of prefixing an Account of the Customs and Manners of these People, such an one as I could collect either from the Printed Relations concerning them, or from such Materials as my Correspondence or Acquaintance would have afforded: But, the accurate Description drawn up and published by the memorable WILLIAM PENN, deterr'd me from attempting a short One; and an ingenious Gentleman of New-York will probably soon oblige the World with a large and curious History of the * Five Nations, exceeding any thing in my Power to perform.

But,

* The History of the *Five Nations*, from the earliest Acquaintance of the *Europeans* with them, to the Treaty of *Reswick*, by C. COLDEN, a Manuscript ready for the Press, in the Hands of a worthy Gentleman in London.

THE PREFACE.

*But, that the Reader might have some Idea of these People, I thought it necessary to subjoin the following succinct Account of the Principals in this Confederacy, their Tributaries, Dependents, and Allies: And the more so, as it is neither extant in Print, nor is this Part taken Notice of so fully in the Manuscript History above-mentioned. It was communicated by a Gentleman of good Understanding and Probity; one who is very well skill'd in the Indian Affairs, * adopted into one of their Tribes, is of their Council, and their constant Interpreter at the Philadelphia Treaties, to a Friend of his, who sent it to his Correspondent here.*

They have generally been stiled the Five Nations of Indians, bordering upon Pensilvania and New-York; but, since the Arrival of the Tuscarora's from Carolina, they are called the Six Nations. An Account of whom is as follows,

1. *The Conymkos or Mohawks; the first Promoter of the Confederacy. † He is stiled in the Council of all the Nations, Dicarihoagan, i. e. President or Eldest.*

2. *The*

* “ It is customary among them to make a Complement of *Naturalization* into the *Five Nations*; and considering how highly they value themselves above all others, it must be accounted no small one.—I had this Complement from one of their old *Sachems*, which he did by giving me his *own Name*: He had been a notable Warriour; and he told me, that now I had a Right to assume to my self all the Acts of Valour he had performed.” C. COLDEN’s *History of the Five Nations*, M. S.

† The Indian Idiom; they always stile a whole Nation in the singular Number.

2. *The Onayiuts or Onoyders, were the first that join'd in the Confederacy with the Mohawks, by putting themselves under their Protection. He calls the Mohawk his Father, and in Return he is called a Son: The Mohawk used him for his Ambassador to the other Nations: In Council he is stiled Niharontaquoa, or the great Tree.**

3. *The Onontago's were the next that joined, and of their own Accord became Confederates; they are therefore called by the Mohawks, Brothers; and by the Onoyders, Fathers, because they had not been forced into the Alliance as the Onoyders were: He is called in Council Sagochsaanagechtcront, i. e. the Arms, or Names-bearer.*

4. *The Jenontowano's or Sinikers next joined in the Alliance of their own Consent; they are stiled by the Mohawks and Onontago's, Brothers, and by the Onoyders, Fathers: His Title in Council is Onughkaarydaawy, whose Signification is not known, and Dyionenhookaraw, i. e. Open Doors for Friends and Enemies.*

5. *The Caiukquo's, the last of the Five-Nation Alliance, being compelled thereto by the Rest, is Brother to the Onoyders, and Son to the others; is stiled in Council Ganunawantoowano, or the † great Pipe.*

6. *Tuscarora's joined in the Alliance about thirty Years ago, being compelled thereto by the English of Carolina:*

* A Tree is their most frequent Emblem of Peace. To plant a Tree whose Top may reach to the Sun, and its Branches may extend over the whole Country, is a Phrase for a lasting Covenant of Peace.

† The great Pipe, or Calumet of the Indians, resembles the Olive-Branch of Antiquity, always a Badge of Peace.

Carolina: *He is Brother to the Onoyders and Cayukquo's, and Son to the others; has no Title in Council, but is frequently called a Fool.*

The Dependents and Tributaries of these Nations.

Mohickons, *who formerly lived on Hudson's River, and in New-England; they have been conquer'd by the Five Nations, their Breech-Cloth taken from them, and a Petticoat put upon them. When they apply to their Conquerors, they humbly call themselves Women: The Five Nations call them by the same Name when they speak severely to 'em: At other times they call them Cousins, and are in Return called Uncles.*

Delawares *are in the same Condition as the Mohickons, were dealt with in like manner; and are Tributary in an * Indian Sense.*

Shawanese *are Brethren to the Six Nations, but are not in the Confederacy: Their Coming from the Spanish Dominions is remember'd by many now living.*
The

* “ All the Nations round them have for many Years
 “ entirely submitted to them, (the *Five Nations*) and
 “ pay a Yearly Tribute in *Wampum*: They dare neither
 “ make War nor Peace without the Consent of the *Mo-*
 “ *hawks*. Two old Men commonly go about every
 “ Year or two to receive this Tribute; and I have
 “ had Opportunity to observe what Anxiety the poor
 “ *Indians* were under, whilst the two old Men remained
 “ in that Part of the Country where I was. An old *Mo-*
 “ *hawk Sachem*, in a poor Blanket and a dirty Shirt,
 “ may be seen issuing his Orders with as absolute Autho-
 “ rity as a Roman Dictator, or King of France.”
 C. COLDEN's History.

The Five Nations gave them Lands on the West Branch of Susquehanna, and therefore claim a Superiority over them, for which the Shawanese mortally hate them. The greatest Part of 'em, a few Years ago, went to settle on the River Ohio, which is a Branch of the Mississippi, and heads with the West Branch of Susquehanna. One Tribe of them is quite gone down to New Spain; there are a few left still at Wyomink on the North Branch of Susquehanna, and others have a large Town on an Island in the West Branch, about 50 Miles above the Forks. They are the most restless and mischievous of all the Indians.

Conestogo Indians have been all destroyed by the Five Nations, except a few whom the Onoyders adopted: When these had forgot their Language, they were sent back to Conestogo, where a few are now left, and speak the Onoyder's Language.

Nantikooks are in Alliance with the Six Nations, and not Tributary; acknowledging themselves to be shelter'd by their Wings: They live within the Borders of Maryland, a Few about Conestogo, and some have settled this Spring at the Mouth of the River Skohooniaty or Jeniaty, which is a Creek that falls into the Susquehanna from the West beyond the Mountains.

Tutolo's originally lived in Virginia, there are but Few of them; they settled this Spring at Shamokin, (on the East Side of Susquehanna, just below the Forks) and are intirely devoted to the Six Nations.

The several Nations of *Indians* with whom the *Six Nations* or *Iroquois* are in Alliance; according to the Information given CONRAD WEISER Esq; in open Council at *Turpehawkin*, at their Return from the Treaty at *Philadelphia* in *July 1742*.

1. *A Nation of Indians living on the West Side of the Lake Erie, and along the Streights of Huron's Lake. They are called by the Iroquois, Unighkellyiakon; consisting of about Thirty Towns, each of about 200 Fighting Men.*
2. *The second Nation lives among the preceeding, called———consisting of Four Towns of their own People, and 400 able Men in all.*
3. *The third Nation called by the Iroquois, Tthi-sagech * Roanu, lives on the East Side of the Huron's Lake; several of the Council have been there, and all agree they have Three large Towns of 600, 800, and 1000 able Men.*
4. *The fourth, called Twightwis Roanu, Two large Towns, and about 200 Men in all, live at the Heads of Huakiky River, near the little Lakes.*
5. *Osikiakikas, living on a Branch of Ohio, that heads near the Lake Erie, Four large Towns of about 1000 Warriours.*
6. *Oyachtawnuh Roanu, near Black-River, consisting of Four Towns, and 1000 Warriours.*
7. *Keghetawkegh Roanu, upon the great River Mississippi, above the Mouth of Ohio: Three Towns; the Number of People uncertain.*

8. Ker-

* *Roanu* signifies *Nation* or *People*, in the Language of the *Six Nations*.

8. Kerhawguegh Roanu, *several Savage Nations, as their Names signify, (the People of the Wilderness) live on the North Side of Huron's Lake; they neither plant Corn, nor any thing else, but live altogether upon Flesh, Fish, Roots and Herbs; an infinite Number of People, of late become Allies to the Iroquois.*

Thus far proceeds CONRAD WEISER'S ACCOUNT.

The Six Nations, as was observed above, border upon the Provinces of Pensilvania and New-York: The Rest, which are mentioned as their Dependents and Allies, lie near the French Settlements, some amidst, and some beyond them. The Wisdom of the Chiefs in this Confederacy hath gained them no less Reputation than their Courage; which indeed has struck Terror into the remotest Indian Nations of North America, and forc'd them to court the Friendship and Protection of such a formidable Power.

The Moderation and Equity of the first Proprietor of Pensilvania, gained the absolute Confidence and Affection of this brave People: They were convinced of his Tenderness for them, and in Return they have erected him lasting Monuments in their grateful Hearts: They revere this good Man's Memory, and his Praises will only cease with the Nations themselves.

The following Clauses from a Collection of Charters, &c. printed at Philadelphia 1740, are, amongst many others, strong Proofs of the Proprietor's equitable Regard to these People.

“ That no Man, *says he*, shall by any ways or
 “ means, in Word or Deed, affront or wrong any
 “ Indian, but he shall incur the same Penalty of the

B

“ Law,

" Law, as if he had committed it against his fellow
 " Planter : And if any *Indian* shall abuse, in Word
 " or Deed, any Planter of this Province, that he
 " shall not be his own Judge upon the *Indian*, but
 " he shall make his Complaint to the Governor of
 " the Province, or his Lieutenant or Deputy, or
 " some inferior Magistrate near him, who shall to
 " the utmost of his Power, take Care with the
 " KING of the said *Indian*, that all reasonable Sa-
 " tisfaction be made to the said injured Planter.
 " That all Differences between the Planters and
 " the Natives, shall also be ended by Twelve Men,
 " that is, by Six Planters and Six Natives, that so
 " we may live friendly together, as much as in us
 " lieth, preventing all Occasions of Heart-burnings
 " and Mischief."

*A Conduct regulated by such Principles of Love
 and Justice, could not fail to influence this discerning
 People, and bias them in Favour of the ENGLISH ; a
 Continuance of the like Conduct must attach them in-
 viciably : And the present worthy Governor and Coun-
 cil seem so sensible of the Necessity of cultivating a good
 Understanding with the Six Nations, as to be likely to
 omit no Opportunity of brightening the Chain, or
 increasing the Fire of Friendship with them.*

*The Confidence which these Nations repose in their
 Interpreter, is a Proof of his Industry, good Sense,
 and Address : Nothing could have happened more fa-
 vourably to the English Settlements, than that those
 delicate Affairs should be in the Hands of a Person
 equally just and a Friend to both.*

*The FRENCH are perpetually labouring to debauch
 their Faith to the ENGLISH : Their Emissaries, the
 Priests, an indefatigable, artful, insinuating Race,
 are*

are constantly labouring to gain Admittance amongst them. They assume all Shapes, try every Spring; they magnify the Power and Grandeur of FRANCE; they study to render the ENGLISH diminutive and contemptible; they foment every little Occasion of Dispute, and leave no Stone unturned to prejudice us in their Esteem.

Hitherto the Honour of the Six Nations, and the experienced good Intentions and Probity of the ENGLISH, have been a sufficient Barrier against all their Intrigues: But it cannot be imprudent to countermine the intended Mischief, by giving suitable Encouragement to proper Persons, to converse with the Indians, and study their Genius. An open-hearted Generosity wins them effectually: The Temper of the ENGLISH is happily suited to this; and the additional Qualifications of Integrity and Prudence must in Time pave the Way to an Ascendency in their Councils, and by this Means the Subtilty of the FRENCH would be totally defeated.

One sees, in the following short Sketch of the Behaviour of the Indians, strong Traces of good Sense, a nice Address in the Conduct of their Affairs, a noble Simplicity, and that manly Fortitude which is the constant Companion of Integrity. The Friendship of a Nation like this, tho' under the Appellation of Savages or Barbarians, is an Honour to the most civilized People: I say nothing of the Advantage which is derived from them by Commerce: And the FRENCH well know, by dear Experience, how terrible they are to their Enemies in War.

“ When we speak of the *Five Nations* in FRANCE,
“ (*says an * Author of that Country*) they are
“ thought, by common Mistake, to be meer *Bar-*
“ *barians*, always thirsting after human Blood : But
“ their true Character is very different. They are
“ the fiercest and most formidable People in *North*
“ *America* ; at the same Time as *politick* and *judi-*
“ *cious*, as well can be imagined : This appears
“ from the Management of the Affairs which they
“ transact, not only with the FRENCH and ENGLISH,
“ but likewise with almost all the *Indians* of this vast
“ Continent.”

TH E Deputies of the Six Nations having, at their last Visit, agreed to release their Claim to all the Land on both Sides of the River *Susquebanna*, as far South as this Province extends, and to the Northward to those called the *Endless Mountains* or *Kittoctinny Hills*; in Consideration whereof, they then received a large Quantity of valuable *Indian Goods* for the Lands situate on the Eastern Side of the said River, but declined at that Time to receive any for those on the Western Side of the said River, chusing to defer the same till another Visit: A large Number arrived from these Nations at *Philadelphia*, on *Wednesday* the 30th of *June*, with Deputies duly impowered to receive the said Goods; and acquainted the Governor, that being weary, from the Fatigue of their long Journey, they should crave three or four Days to rest themselves before they proceeded to their Business: In the mean Time they would wait on the Governor to discourse, according to their usual Method, about News and other Occurrences; which the Governor readily agreed to, and ask'd them when they would chuse to pay their first Visit; which they desiring might be on *Friday* the 2d of *July* in the Afternoon; the Council was accordingly summon'd, and met at Mr. *Logan's* House, where were

The Chiefs of the SIX NATIONS, with the Chiefs

CANASSATEEGO, the *Onondago* Chief, Speaker.

CONRAD WEISER, Interpreter,

The Governor opened the Conference as follows.

‘ BRETHREN,

‘ The Proprietor having purchased certain Lands from
‘ your Nations about Six Years ago, a Moiety of what
‘ was agreed to be given in Consideration of that Pur-
‘ chase was at that Time delivered to them, and the other
‘ being at their own Desire left in the Proprietor’s
‘ Hands, He pressed you by *Shikalamy*, to send last Year
‘ for it, and would have been glad to have seen you and
‘ taken you by the Hand before his Departure. But as
‘ the Design of this Meeting is to hear your News, and
‘ converse together in a free and friendly Manner, I shall
‘ say no more about the Goods than that they lye ready
‘ at the Proprietor’s House, and will be delivered when
‘ you shall have sufficiently rested from the Fatigue of
‘ your Journey.’

The Chief of the *Onondagoes* spoke,

‘ BRETHREN,

‘ We propose to rest four Days, and then come to the
‘ main Business. At present we are at a private Con-
‘ ference about News, and have something of this Sort to
‘ mention to our Brother *ONAS*.’ And on the Gover-
‘ nor’s signifying they would be glad to know what it was,
the Chief proceeded.

‘ BRETHREN,

‘ It is our Way when we come to our Brethren, or
‘ any other Persons, whom we live in strict Friendship
‘ with, to remove all Obstructions to a good Understand-
‘ ing ;

ing ; with this View we are to inform you of a Piece of
 disagreeable News that happen'd in our Journey.—
 Some White People living at a Place called *Conegocet-
 goe*, whose Names we cannot tell, nor whether they
 belong to this or the neighbouring Government, but
 one of them, as we heard, had his House burnt over
 his Head some Years ago, and he was brought down a
 Prisoner and committed to the Goal of this City : These
 People lighting of our young Warriours, as they were
 hunting, made some Proposals about the purchasing of
 Land from them, and our young Men being indiscreet,
 and unacquainted with publick Business, were foolish
 enough to hearken to them, and to receive five Duffil
 Strowds for two Plantations on the River *Cokongerento*.
 A *Conegocoe* Indian, and a *French* Indian, and some
 others that were in Company had three Duffil Strowds,
 and went away with them ; and our young Men carried
 off the other two. As soon as this came to our Know-
 ledge, we sent for our Warriours, and after examining
 and rebuking them severely, we took away their two
 Strowds, and publickly censured them for exposing us
 to our Brethren of *Pensilvania*, in doing a Thing so in-
 consistent with our Engagements to them ; You are,
 said we aloud, that all our People might hear and take
 Notice, *to know and remember, that the Six Nations have
 obliged themselves to sell none of the Land that falls within
 the Province of Pensilvania to any other but our Brother
 O n a s, and that to sell Lands to any other is an high
 Breach of the League of Friendship.* Brethren, this rash
 Proceeding of our young Men makes us ashamed. We
 always mean well, and shall perform faithfully what we
 have promised : And we assure you, this Affair was
 transacted in the Manner we have related, without our
 Privy or Consent. And that you may be fully con-
 vinced of this, and of the Sincerity of our Intentions,
 we have brought you these Two Strowds [*here he pre-
 sented two Red Strowds to the Governor*] they are the very
 Strowds our foolish young Men received ; we took
 them from them, and we give them to you to return to
 those

‘ those white People who made the Bargain, and desire
 ‘ when the Strowds are returned to them, they may be
 ‘ told what we now say, and that we shall not confirm
 ‘ such Bargains nor any other that may interfere with
 ‘ our Engagements to our Brother ONAS.’

The Governor then spoke :

‘ BRETHREN,

‘ I thank you for this Piece of News ; you have taken
 ‘ this Matter perfectly right. All Bargaining for Land
 ‘ within this Province, is, to be sure, a manifest Breach
 ‘ of your Contract with the Proprietors, and what we
 ‘ know you will not countenance. We have hitherto
 ‘ found the *Six Nations* faithful to their Engagements,
 ‘ and this is a fresh Instance of their Punctuality. You
 ‘ could not help these Mistakes of your young Men ; they
 ‘ were not done in your Presence : But as several Incon-
 ‘ veniencies may arise from these kind of clandestine Sales,
 ‘ or from any such loose Sales of Land by your People,
 ‘ we desire you will, on your Return home, give publick
 ‘ Notice to all your Warriours not to bargain for any
 ‘ Land ; or if they do, that you will not confirm such
 ‘ Bargains ; and that this very Affair, together with
 ‘ what you have done therein, may be particularly re-
 ‘ ported to all your Nation assembled in Council.’

The *Onondago* Chief promised to give such pub-
 lick Notice ; and desiring Liberty to mend his
 former Speech, he proceeded :

‘ BRETHREN,

‘ I forgot one Circumstance : Our People who pre-
 ‘ tended to sell the Land, demanded a Belt of *Wampum*
 ‘ of the Buyers to carry to their Chiefs ; and on their
 ‘ declaring they had no *Wampum*, our Warriours said,
 ‘ they would not answer that their Chiefs would confirm
 ‘ this Bargain, since they never did any thing of this
 ‘ Nature without *Wampum*.’

The

The Governor, after a short Pause, spoke :

‘ *BRETHREN of the Six Nations,*

‘ I shall take this Opportunity to relate to you a Piece
 ‘ of disagreeable News I received some Days ago in a
 ‘ Letter from *Le Tort* the Indian Trader, at *Allegheny*,
 ‘ who says, *That in May last some Indians of the Taway*
 ‘ *Nation, supposed by us to be Twightwees, in their Return*
 ‘ *from War, called and stayed sometime with the Shawanese ;*
 ‘ *who being asked, and denying they had brought either Scalps*
 ‘ *or Prisoners, the Shawanese suspecting them, had the Cu-*
 ‘ *riosity to search their Bags, and finding two Scalps in them,*
 ‘ *that by the Softness of the Hair did not feel like Indian*
 ‘ *Scalps, they wash’d them clean, and found them to be the*
 ‘ *Scalps of some Christians. On this Discovery, the Twigh-*
 ‘ *twees were so much ashamed, that they stole away from*
 ‘ *their Town in the Night-time ; and coming, as they after-*
 ‘ *wards understood, to a little Village belonging to the Shawa-*
 ‘ *nese, they told our People that their Hearts were full of*
 ‘ *Grief ; for, as they came along the Road, they found it*
 ‘ *all bloody ; and having good Cause to believe it was made*
 ‘ *bloody with the Blood of some of the White Brethren, they*
 ‘ *had very sorrowfully swept the Road ; and desired them to*
 ‘ *inform the Governor of Pensilvania of their (the Twigh-*
 ‘ *twees) Grief ; and how they had swept the Road clean.*’
 ‘ *Le Tort* adds, on Behalf of the *Shawanese*, ‘ *That they*
 ‘ *were much troubled and grieved at this unfortunate Acci-*
 ‘ *dent ; and prayed as they had no Concern in it, more than*
 ‘ *by being Instruments to discover it, their Brethren would not*
 ‘ *blame them, nor suffer a Misunderstanding to arise between*
 ‘ *them on this Account : They would sweep the Road clean,*
 ‘ *and wipe all the Blood away ; and desired their Brethren*
 ‘ *would be satisfied with this, and not weep too much for a*
 ‘ *Misfortune that might not happen again as long as the Sun*
 ‘ *and Moon shone.*’

‘ The Person who delivered me *Le Tort*’s Letter,
 ‘ brought this Bundle of Skins as a Present to me ; but
 ‘ I told the Messenger, I would not meddle with it ; he
 ‘ might

‘ might leave it if he pleased : The Affair appear’d to me
 ‘ in a bad Light, and I would represent it to the *Six Nati-*
 ‘ *ons*, who were expected in Town every Day. This is
 ‘ the Fact as I have it from *Le Tort* : I desire to be in-
 ‘ form’d if you know any thing of this Matter ; and if
 ‘ you do not, that you will make diligent Enquiry who
 ‘ committed the Murder, and who are the unhappy Suf-
 ‘ ferers, and assist us to obtain Satisfaction, if it shall ap-
 ‘ pear to be any of our Fellow-Subjects that have been
 ‘ treated in this Manner.’

*To inforce this Request, I present you with this
 String of Wampum.*

The *Onondago* Chief, in Reply, said :

‘ *BRETHREN,*

‘ We take this Information kind at your Hands ;
 ‘ we will take this String of *Wampum* home with us to
 ‘ our Lodgings, and there consult about the most regular
 ‘ and proper Steps to be taken by us to answer your Ex-
 ‘ pectations ; and when we have duly considered the
 ‘ Matter, we will return you an Answer.’

Upon this the Governor put an End to the Conference ;
 and calling for Wine and other Liquors, according to
 the *Indian* Custom, after a decent and chearful Entertain-
 ment, the *Indians* withdrew.

 House, July 5. 1742.

With several Gentlemen of the Town,

The Chiefs of the Six Nations

It

It being judg'd proper, at this critical Time, when we are in daily Expectation of a *French* War, to sound the *Indians*, and discover what Dependence we might have on them, in case their Aid should be wanted; an handsome Dinner was provided for their Chiefs; and after they had made an hearty Meal, and drank his Majesty's Health, the Proprietor's, and the Health of the *Six Nations*, the Chiefs gave the solemn Cry, in Testimony of their Thanks, for the Honour done them. And soon after, the Governor began, in a free Way, to enquire for what Reason the *Senecas* were not come down, since they had an equal Right to a Share of the Goods with the other Nations.—*Canassateego*, their Speaker, said, 'The *Senecas* were in great Distress, on Account of a Famine that raged in their Country, which had reduced them to such Want, that a Father had been obliged to kill two of his Children to preserve his own and the rest of his Family's Lives; and they could not now come down, but had given Directions about their Share of the Goods.'—The Governor express'd his Concern for the unhappy Circumstances of their Brethren of the *Seneca* Nation; and, after a short Respite, enquired if any of their Deputies were then at *Canada*, and whether the *French* Governor was making any warlike Preparations? And on their answering, *Yes*; the Governor said, with a smiling, pleasant Countenance, 'I suppose if the *French* should go to War with us, you will join them.' The *Indians* conferr'd together for some Time, and then *Canassateego*, in a cheerful lively Manner, made Answer—'We assure you, the Governor of *Canada* pays our Nations great Court at this Time, well knowing of what Consequence we are to the *French* Interest: He has already told us, he was uncovering the Hatchet and sharpening it, and hoped, if he should be obliged to lift it up against the *English*, their Nations would remain neuter and assist neither Side.—But we will now speak plainly to our Brethren: Why should we, who are one Flesh with you, refuse to help you, whenever you want our Assistance?—We have continued a long Time in the

‘ strictest League of Amity and Friendship with you, and we shall always be faithful and true to you our old and good Allies.—The Governor of *Canada* talks a great deal, but ten of his Words do not go so far as one of yours.—We do not look towards them ; We look towards you ; and you may depend on our Assistance.’ Whilst the *Onondago* Chief made this open and hearty Declaration, all the other *Indians* made frequently that particular Kind of Noise which is known to be a Mark of Approbation.—The Governor bid the Interpreter tell *Canassatego*, ‘ He did not set on foot this Inquiry from any Suspicion he had of the *Six Nations* wanting a due Regard for the *English*.—Our Experience of their Honour and Faith would not permit us to think any other of them than that they would esteem our Friends their Friends, and our Enemies their Enemies, agreeable to the strict Union which had ever subsisted between us.—As to the Governor of *Canada*, they need not mind what he said.—The *English*, on equal Terms, had beat the *French*, and could beat them again : And were they but to consider the Advantages which the *English* have, by possessing so many large and populous Countries, and so many good Ports on the Continent of *America*, they would soon see who had most Reason to fear a War, the *French* or the *English*.’

Here the Conversation drop’d ; and, after another Glass of Wine, the *Indians* resumed the Discourse, by asking, whether their Brethren had not been for some Time engaged in a War with the King of *Spain*, and what Successes they had met with ?

The Governor told them, the King of *Great Britain* lived in an Island, and being surrounded with the Sea, his chief Strength lay in his Ships ; in which he was so much superior to his Enemies, that they were seldom to be met with on the broad Ocean, but skulk’d and hid themselves, only venturing out now and then ; and whenever they did, they were almost sure to be taken ; and that

that the King of *Great Britain* had, with his Ships, beat down or taken several of the *Spaniards* Great Forts in *America*.—The *Indians* said, they were pleased to hear their Brethren were an Over-match for their Enemies, and wish'd them good Success.

The Governor then enquired into the State and Condition of the Nations to the Westward of the Great Lakes, and whether they had any Warriours then in those Countries? Whether they had concluded Peace with the Southern *Indians*? And whether they had heard what their Deputies had done at *Albany*?

They made Answer: That they had always Abundance of their Men out amongst the Nations situate to the West of their Lakes.—That they had kindled a Fire with a vast many Nations, some whereof were Tributaries, and they had a good Understanding with all.—They set out from their own Country in Company with two Sets of Deputies, one going to hold a Treaty with the Southern *Indians*, and they believed a Peace would be concluded: The other going to meet the Governor of *New-York*, at *Albany*; but they could not tell what had been done at either Place.—On their Return, they were to hold a General Council, and would inform their Brethren of these Particulars.

Then the Governor put an End to the Conference, by telling the *Indians* the Goods would be delivered to them at a Council to be held to morrow Afternoon at the Meeting-House.

And a great Number of the
Inhabitants of Philadelphia.

The Governor, having commanded Silence,
 spoke as follows:

Friends and Brethren of the Six Nations,

' Six Years ago a Number of your Chiefs obliged
 us with a Visit, when they agreed, on Behalf of
 ' your

' your Nations, to the Release of certain Lands on
 ' both Sides the River *Susquebanna*, to the Southward of
 ' the *Endless-Mountains*, and within the Limits and
 ' Bounds of the King's Grant of this Province. In Con-
 ' sideration of which, a certain Quantity of Goods was
 ' agreed on and delivered as a full Satisfaction for the said
 ' Lands lying on the Eastern Side of the said River: And
 ' for the Lands on the Western Side of the said River,
 ' you desired the Payment should be deferr'd till another
 ' Opportunity. These Goods, which are exactly the
 ' same in Quantity as those you received the last Time
 ' the Chiefs of your Nations were here, have been ready
 ' a considerable Time, and kept in Expectation of your
 ' Coming for them: And now you are come down fully
 ' empowered by your respective Councils to receive them,
 ' we are well pleased to deliver them: Leaving it to
 ' you to make a fair and equal Division of them amongst
 ' yourselves. We are sorry for the Absence of our Bre-
 ' thren the *Senecas*, and much more so that it should be
 ' owing to their Distress at Home by a Famine that rages
 ' in their Country:—A Famine so great, that you tell us
 ' a Father has been obliged to sacrifice one Part of his
 ' Family, even his own Children, for the Support and
 ' Preservation of himself and the other Part.—We hear-
 ' tily commiserate their Condition, and do not doubt but
 ' you will do them fair and ample Justice in the Disposal
 ' of their Part of the Goods in such Manner as they have
 ' instructed you. You shall now hear the List of the
 ' Goods read to you'.

Here, by the Governor's Order, the List of the Goods
 was read over, viz.

500 Pounds of Powder.	200 Yards Half-thick.
600 Pounds of Lead.	100 Shirts.
45 Guns.	40 Hats.
60 Stroed-Matecoats.	40 Pair of Shoes & Buckles.
100 Blankets.	40 Pair of Stockings.
100 Duffil Matecoats.	100 Hatchets.

500 Knives.	1000 Flints.
100 Hoes.	24 Looking-Glasses.
60 Kettles.	2 Pounds of Vermilion.
100 Tobacco-Tongs.	100 Tin Pots.
100 Scissars.	1000 Tobacco Pipes.
500 Awl Blades.	200 Pounds of Tobacco.
120 Combs.	24 Dozen of Gartering, &c
2000 Needles.	25 Gallons of Rum.

Then the Governor told them that the Goods, of which the Particulars had been just Read to them, were in the Meeting-House, and would be sent to whatever Place they would direct.

The Governor then proceeded :

‘ *BRETHREN,*

‘ You have often heard of the Care that your great and good Friend and Brother *William Penn* took at all Times to cultivate a perfect good Harmony with all the *Indians* : Of this your Nations have ever been fully sensible ; but more especially a Number of your Chieftains, about ten Years ago, when, on the Arrival of a Son of your said great Friend *William Penn*, large and valuable Presents were exchanged by us with you ; a new Road was made and clear’d ; a new Fire kindled ; and the Chain of Friendship made stronger, so as to last while the Sun and Moon endure.

‘ And now we cannot but congratulate ourselves that your Coming should happen at a Time when we are in daily Expectation of a War being declared between the King of *England*, and the *French* King, well knowing, that should such a War happen, it must very sensibly affect you, considering your Situation in the Neighbourhood of *Canada*. Your Coming at this Juncture is particularly fortunate, since it gives us an Opportunity of mentioning several Things that may be necessary to be settled between People so strictly and closely united

‘ as we are.—An Union not to be express’d by any thing
 ‘ less than the affectionate Regards which Children of
 ‘ the same Parents bear for each other, as conceiving
 ‘ ourselves to be one Flesh and one People.

‘ The utmost Care therefore ought mutually to be ta-
 ‘ ken by us on both Sides, that the Road between us be
 ‘ kept perfectly clear and open, and no Lets, nor the least
 ‘ Obstruction be suffered to lie in the Way ; or if any
 ‘ should by Accident be found, that may hinder our free
 ‘ Intercourse and Correspondence, it must forthwith be
 ‘ removed.

To inforce this, We lay down a String of Wampum.

‘ In next Place, We, on our Part, shall enlarge our
 ‘ Fire that burns between us. We shall provide more
 ‘ Fuel to increase it and make it burn brighter and
 ‘ clearer, and give a stronger and more lasting Light and
 ‘ Warmth.

*In Evidence of our sincere Intentions, We lay down
 this Belt of Wampum.*

‘ In the last Place, considering the Obligations we are
 ‘ mutually under by our several Treaties, *That we should*
 ‘ *hear with our Ears for you, and you hear with your Ears*
 ‘ *for us.* We shall at all Times very willingly give you
 ‘ the earliest and best Intelligence of any Designs that
 ‘ may be form’d to your Disadvantage.—And if you dis-
 ‘ cover any Preparations that can hurt us, we desire you
 ‘ will immediately dispatch some suitable Person in whom
 ‘ we can place a Confidence, to give us a proper Infor-
 ‘ mation.’

*To inforce this Request, as well as to brighten the
 Chain, we lay down this other Belt of Wampum.*

On the Governor’s concluding the Speech, the solemn
 Cry, by way of Approbation, was repeated by the In-
 dians, as many Times as there were Nations present ;
 and then Canassatego rose up and spoke.

‘ B R E-

‘ B R E T H R E N,

‘ We thank you for your kind Speech : What you
 ‘ have said is very agreeable to us ; and to-morrow when
 ‘ we have deliberated on the several Matters recommen-
 ‘ ded to us, we will give you our Answer. We desire, as
 ‘ our Time will be wholly taken up in Council, you will
 ‘ order the Goods to be carried back to the Proprietaries
 ‘ to prevent their being lost, and that they may continue
 ‘ there till we call for them.’

At a COUNCIL held in the Meeting-House, July 7. 1742.

P R E S E N T,

The Hon^{ble} GEORGE THOMAS, Esq; Lieut. Governor.

<i>James Logan,</i>	<i>Samuel Preston,</i>	} Esqrs;
<i>Thomas Lawrence,</i>	<i>Samuel Hasell,</i>	
<i>Abraham Taylor,</i>	<i>Robert Strettell,</i>	

CANASSATEAGO's Speech on Behalf of the Six Nations.

‘ B R E T H R E N, the Governor and Council, and
 ‘ all present,

‘ According to our Promise we now propose to return
 ‘ you an Answer to the several Things mentioned to us
 ‘ Yesterday, and shall beg Leave to speak to publick
 ‘ Affairs first, tho' they were what you spoke to last.
 ‘ On this Head you Yesterday put us in Mind, first, Of
 ‘ William Penn's early and constant Care to cultivate Friend-
 ‘ ship with all the Indians ; of the Treaty we held with one of
 ‘ his Sons, about Ten Years ago ; and of the Necessity there is
 ‘ at this Time of keeping the Roads between us clear and free
 ‘ from all Obstructions. We are all very sensible of the
 ‘ kind Regard that good Man William Penn had for all
 ‘ the Indians, and cannot but be pleased to find that his
 ‘ Children have the same. We well remember the Treaty
 ‘ you mention held with his Son on his Arrival here, by
 ‘ which we confirmed our League of Friendship that is

‘ to last as long as the Sun and Moon endure: In Consequence of this, We, on our Part, shall preserve the Road free from all Incumbrances: in Confirmation whereof, we lay down this String of *Wampum*.

‘ You in the next Place said, *You would enlarge the Fire and make it burn brighter*, which we are pleased to hear you mention; and assure you, we shall do the same, by adding to it more Fuel, that it may still flame out more strongly than ever: In the last Place, you were pleased to say, *that we are bound, by the strictest Leagues, to watch for each others Preservation; that we should bear with our Ears for you, and you bear with your Ears for us*: This is equally agreeable to us; and we shall not fail to give you early Intelligence whenever any Thing of Consequence comes to our Knowledge: And to encourage you to do the same, and to nourish in your Hearts what you have spoke to us with your Tongues, about the Renewal of our Amity and the Brightening of the Chain of Friendship; we confirm what we have said with another Belt of *Wampum*.

‘ B R E T H R E N,

‘ We received from the Proprietor’s, yesterday, some Goods in Consideration of our Release of the Lands on the West-Side of *Susquebanna*: It is true we have the full Quantity according to Agreement; but if the Proprietor had been here himself, we think, in Regard of our Numbers and Poverty, he would have made an Addition to them.—If the Goods were only to be divided amongst the *Indians* present, a single Person would have but a small Portion; but if you consider what Numbers are left behind, equally intitled with us to a Share, there will be extremely little. We therefore desire, if you have the Keys of the Proprietor’s Chest, you will open it, and take out a little more for us.

‘ We know our Lands are now become more valuable;
 ‘ The white People think we do not know their Value;
 ‘ but

' but we are sensible that the Land is everlasting, and the
 ' few Goods we receive for it are soon worn out and gone.
 ' For the Future we will sell no Lands but when Brother
 ' ONAS is in the Country ; and we will know beforehand
 ' the Quantity of the Goods we are to receive. Besides,
 ' we are not well used with Respect to the Lands still
 ' unfold by us. Your People daily settle on these Lands,
 ' and spoil our Hunting — We must insist on your Re-
 ' moving them, as you know they have no Right to set-
 ' tle to the Northward of *Kittochtinny-Hills*. — In particu-
 ' lar, we renew our Complaints against some People
 ' who are settled at *Juniata*, a Branch of *Susquebanna*,
 ' and all along the Banks of that River, as far as *Maba-*
 ' *niay* ; and desire they may be forthwith made to go off
 ' the Land ; for they do great Damage to our Cousins
 ' the *Delawares*.

' We have further to observe, with Respect to the
 ' Lands lying on the West Side of *Susquebanna*, that
 ' tho' Brother ONAS (meaning the Proprietor) has paid
 ' us for what his People possess, yet some Parts of that
 ' Country have been taken up by Persons whose Place of
 ' Residence is to the South of this Province, from whom
 ' we have never received any Consideration. This Af-
 ' fair was recommended to you by our Chiefs at our last
 ' Treaty ; and you then, at our earnest Desire, promi-
 ' sed to write a Letter to that Person who has the Au-
 ' thority over those People, and to procure us his An-
 ' swer : As we have never heard from you on this Head,
 ' we want to know what you have done in it. If you
 ' have not done any thing, we now renew our Request,
 ' and desire you will inform the Person whose People are
 ' seated on our Lands, that that Country belongs to us,
 ' in Right of Conquest ; we having bought it with our
 ' Blood, and taken it from our Enemies in fair War ;
 ' and we expect, as Owners of that Land, to receive
 ' such a Consideration for it as the Land is worth. We
 ' desire you will press him to send us a positive Answer :
 ' Let him say *Yes* or *No* : If he says *Yes*, we will treat
 ' with

‘ with him ; if No, we are able to do ourselves Justice ;
 ‘ and we will do it, by going to take Payment ourselves.

‘ It is Customary with us to make a Present of Skins
 ‘ whenever we renew our Treaties. We are ashamed to
 ‘ offer our Brethren so few ; but your Horses and Cows
 ‘ have eat the Grass our Deer used to feed on. This has
 ‘ made them scarce, and will, we hope, plead in Excuse
 ‘ for not bringing a larger Quantity : If we could have
 ‘ spared more, we would have given more ; but we are
 ‘ really poor ; and desire you’ll not consider the Quan-
 ‘ tity, but, few as they are, accept them in Testimony
 ‘ of our Regard’.

Here they gave the Governor a Bundle of Skins.

The Governor immediately replied :

‘ BRETHREN,

‘ We thank you for the many Declarations of Respect
 ‘ you have given us in this solemn Renewal of our Trea-
 ‘ ties : We receive, and shall keep your String and Belts
 ‘ of *Wampum*, as Pledges of your Sincerity, and desire
 ‘ those we gave you may be carefully preserved, as Tes-
 ‘ timonies of ours.

‘ In Answer to what you say about the Proprietaries.—
 ‘ They are all absent, and have taken the Keys of their
 ‘ Chest along with them ; so that we cannot, on their
 ‘ Behalf, enlarge the Quantity of Goods : Were they
 ‘ here, they might, perhaps, be more generous ; but
 ‘ we cannot be liberal for them.—The Government will,
 ‘ however, take your Request into Consideration, and,
 ‘ in Regard to your Poverty, may perhaps, make you a
 ‘ Present. I but just mention this now, intending to re-
 ‘ fer this Part of your Speech to be answered at our next
 ‘ Meeting.

‘ The Number of Guns, as well as every Thing else,
 ‘ answers exactly with the Particulars specified in your
 ‘ Deed

‘ Deed of Conveyance, which is more than was agreed to be given you. It was your own Sentiments, that the Lands on the West Side of *Susquebanna* were not so Valuable as those on the East ; and an Abatement was to be made, proportionable to the Difference in Value : But the Proprietor overlooked this, and ordered the full Quantity to be delivered, which you will look on as a Favour.

‘ It is very true, that Lands are of late become more Valuable ; but what raises their Value ? Is it not entirely owing to the Industry and Labour used by the white People in their Cultivation and Improvement ? Had not they come amongst you, these Lands would have been of no Use to you, any further than to maintain you. And is there not, now you have sold so much, enough left for all the Purposes of Living ?—What you say of the Goods, that they are soon worn out, is applicable to every Thing ; but you know very well, that they cost a great deal of Money ; and the Value of Land is no more than it is worth in Money.

‘ On your former Complaints against People’s Settling the Lands on *Juniata*, and from thence all along on the River *Susquebanna* as far as *Mabaniaby*, some Magistrates were sent expressly to remove them ; and we thought no Persons would presume to stay after that.

Here they interrupted the Governor, and said :—
‘ These Persons who were sent did not do their Duty : So far from removing the People, they made Surveys for themselves, and they are in League with the Trespassers. We desire more effectual Methods may be used, and better Persons employ’d.’

Which the Governor promised, and then proceeded :

‘ B R E-

‘ BRETHREN,

‘ According to the Promise made at our last Treaty
 ‘ with you, Mr. *Logan*, who was at that Time President,
 ‘ did write to the Governor of *Maryland*, that he might
 ‘ make you Satisfaction for such of your Lands as his
 ‘ People had taken up ; but did not receive one Word
 ‘ from him upon that Head. I will write to him again,
 ‘ and endeavour to procure you a Satisfactory Answer.
 ‘ We do not doubt but he will do you Justice : But we
 ‘ exhort you to be careful not to exercise any Acts of
 ‘ Violence towards his People, as they likewise are our
 ‘ Brethren, and Subjects of the same Great King ; and
 ‘ therefore Violence towards them must be productive of
 ‘ very evil Consequences.

‘ I shall conclude what I have to say at this Time with
 ‘ Acknowledgments for your Present ; which is very agreeable to us, from the Expressions of Regard used by
 ‘ you in presenting it : Gifts of this Nature receiving
 ‘ their Value from the Affection of the Giver, and not
 ‘ from the Quantity or Price of the Thing given.’

<i>Clement Plumsted,</i>	<i>Thomas Lawrence,</i>

The Board taking into Consideration, whether it be proper or not at this Time, to make a Present to the *Indians* of the *Six Nations*, now in Town, in Return for their Present to this Government at Yesterday's Treaty :

Resolved,

That it is highly fit and proper that a Present be made to the said *Indians* at this Time.

And

And it is the Opinion of this Board, that the said Present should be of the Value of £.500, or at least £.300.

And it is recommended to Mr. Logan, Mr. Preston, and Mr. Lawrence, to acquaint Mr. Kinsey, the Speaker of the Assembly, with the Opinion of this Board; and that they request him to confer with such other Members of Assembly as are in Town, and report their Sentiments thereupon.

The Board taking into Consideration the Threats express'd by the *Indians*, at the Treaty Yesterday, against the Inhabitants of *Maryland*, settled on certain Lands on the West Side of *Susquehanna*, which the *Indians* claim, and for which they require Satisfaction; and considering, that should those Threats, in any sort, be put in Execution, not only the Inhabitants of *Maryland*, but of this Government, and all his Majesty's Subjects on the Northern Continent of *America*, may thereby be involved in much Trouble: It is the Opinion of this Board, that the Governor write to the Governor of *Maryland* without Delay, to inform him of the *Indians* Complaints and Threats, and to request a satisfactory Answer; and that his Letter be sent by a special Messenger, at the Publick Expence.

At a C O U N C I L held July 9. 1742.

The Hon^{ble} GEORGE THOMAS Esq; Lieut. Governor.

James Logan,
Clement Plumsted,
Samuel Hassell,
Robert Struttell,

Samuel Preston,
Ralph Ashton
Thomas Lawrence,

} Esqrs;

And Mr. Peters.

The Governor informed the Board, that the *Indian* Chiefs dining with him Yesterday, after Dinner delivered their Answer to two Affairs of Consequence:

E

The

The first related to the violent Battery committed on *William Webb*, in the Forks of *Delaware*, whereby his Jaw-bone was broke, and his Life greatly endangered, by an unknown *Indian*. *Canassateego* repeating the Message delivered to the *Six Nations* by *Sbickalamy*, in the Year 1740, with a String of *Wampum*, said in Answer : ‘ The *Six Nations* had made diligent Enquiry into the ‘ Affair, and had found out the *Indian* who had committed the Fact ; he lived near *Ajopus*, and had been examined and severely reprov’d : And they hoped as *William Webb* was recovered, the Governor would not expect any further Punishment ; and therefore they returned the String of *Wampum* received from their Brethren, by the Hand of *Sbickalamy*, in Token that ‘ they had fully Comply’d with their Request.’

I thank’d them for their Care ; but reminded them, that tho’ the Man did not die, yet he lay a long Time in extreme Misery, and would never recover the free Use of his Speech, and was rendred less able to get his Livelihood, and in such Cases the *English* Laws obliged the Assailant to make good all Damages, besides paying for the Pain endured.—But as the *Indian* was, in all Probability, Poor and unable to make Satisfaction, I told them, that for their Sake I would forgive him ; adding, had *Webb* died I make no Doubt but you would have put the *Indian* to Death, just as we did two of our People who had killed an *Indian* ; we caus’d them to be hung on a Gallows, in the Presence of many Hundreds of our People, to deter all others from doing the like. *Canassateego* made me this Reply : ‘ The *Indians* know no Punishment but Death ; they have no such Thing as pecuniary Mulcts ; if a Man be guilty of a Crime, he is ‘ either put to Death, or the Fault is overlook’d. We ‘ have often heard of your Hanging-up those two Persons ; but as none of our *Indians* saw the Men die, ‘ many believe they were not hanged, but transported to ‘ some other Colony : And it would be satisfactory to ‘ the *Indians*, if, for the Future, some of them be sent for,

‘ for, to be Witnesses to such Executions.’ I assured them, that whoever gave them that Information, abused them ; for the Persons certainly suffered Death, and in the Presence of all the People.

Canassateego then proceeded to give an Answer to what was said to them the 2d Instant, relating to *Le Tort's* Letter : ‘ That they had, in Council, considered in what Manner the Matter recommended to them ought to be conducted ; and they were of Opinion, that as the *Shawanese*, not the *Twightwys*, (for they knew so much of it that the People were of the *Twightwy* Nation in whose Bags the Scalps were found) had sent me a Present of Skins, I should, in Return, send them a Blanket or a Kettle, and with it a very sharp Message, that tho’ they had done well in sweeping the Road from Blood, yet that was but a small Part of their Duty ; they ought not to have suffered the *Twightwys*, after their Lye, and the Discovery of the Scalps, to have left them, ’till they had given a full and true Account how they came by them, whose Scalps they were, and in what Place, and for what Reason the Men were kill’d ; and when they had been fully satisfied of all these Particulars, then it was their Duty to have given Information to the Government where the white People lived, that the Murderers might be complained against, and punished by the Nation they belong’d to : And as the *Shawanese* had omitted to perform the Part of Brethren, that I should reprove them for it, and charge them to make amends for their Neglect, by using all possible Expedition to come at the Knowledge of these Things, and to aid their Brethren the white People in obtaining Justice.’

The Minutes of the Preceding Council being read, Mr. *Logan*, in Pursuance of the Board’s Direction of Yesterday, reported, on Behalf of himself and the other Gentlemen to whom it was recommended, that they had confer’d with Mr. *Kinsley*, and requested him to consult

the other Members of the Assembly concerning the making a Present to the *Indians*; and that Mr. *Kinsley* having collected the Sentiments of several Members of the Assembly in Town, whom he had confer'd with on that Subject, found them generally of Opinion, that a Present should at this Time be made; but that they had declined nominating any Sum: However, that Mr. *Kinsley* had given it as his own Opinion, that the Governor and Council might go as far as *Three Hundred Pounds*.

And accordingly it is refer'd to Mr. *Logan*, Mr. *Preston*, and Mr. *Lawrence*, to consider of and prepare a proper List of the Goods whereof the Present should be composed, to the Value of *Three Hundred Pounds* as aforesaid; advising with the Interpreter as to the Quantity and Quality.

At a COUNCIL held at the Proprietor's the 9th of July,

The CHIEFS of the Six Nations.

SASSOONAN, and *Delawares*.

NUTIMUS, and the *Fork-Indians*.

CONRAD WEISER, Interpreter.

The Governor spoke to the Chiefs of the Six Nations
as follows:

‘ *BRRTHREN*,

‘ The last Time the Chiefs of the Six Nations were
‘ here, they were informed, that your Cousins, a Branch
‘ of

of the *Delawares*, gave this Province some Disturbance
 about the Lands the Proprietor purchased from them,
 and for which their Ancestors had received a valuable
 Consideration above *Fifty-five* Years ago, as appears
 by a Deed now lying on the Table.—Sometime after
 this, *Conrad Weiser* delivered to your Brother *Thomas*
Penn your Letter, wherein you request of him and
James Logan that they would not buy Land, &c.—
 This has been shewn to them and interpreted; not-
 withstanding which they have continued their former
 Disturbances, and have had the Insolence to write Let-
 ters to some of the Magistrates of this Government,
 wherein they have abused your good Brethren our wor-
 thy Proprietaries, and treated them with the utmost
 Rudeness and Ill-Manners. Being loth, from our Re-
 gard to you, to punish them as they deserve, I sent two
 Messengers to inform them that you were expected here,
 and should be acquainted with their Behaviour.—As
 you, on all Occasions, apply to us to remove all white
 People that are settled on Lands before they are pur-
 chased from you, and we do our Endeavours to turn such
 People off; we now expect from you, that you will
 cause these *Indians* to remove from the Lands in the
 Forks of *Delaware*, and not give any further Distur-
 bance to the Persons who are now in Possession.

To enforce this we lay down a String of Wampum.

Then were read the several Conveyances, the Para-
 graph of the Letter wrote by the Chiefs of the *Six Nati-*
ons relating to the *Delawares*; the Letters of the *Fork-In-*
Indians to the Governor and Mr. *Langborne*, and a Draught
 of the Land; and then delivered to *Conrad Weiser*, who
 was desired to interpret them to the Chiefs when they
 should take this Affair into their Consideration.

The Governor laid before the Board an Extract from the Treaty held here the 7th Instant with the *Indians* of the *Six Nations*, so far as it related to the Inhabitants of *Maryland*; as also a Letter he had prepared for the Governor of *Maryland* upon that Subject; both of which being approved, were ordered to be transcribed fair, in order to be dispatch'd to morrow Morning: The Letter is as follows:

S I R,

Philadelphia, July 10, 1742.

THE inclosed Extract of the Speech made by the Chiefs of the *Six Nations*, before a very numerous Audience, in this Place, with my Answer to it, is of so great Importance to all his Majesty's Colonies in this Part of his Dominions, and to your Government in particular, that I have imploy'd a special Messenger to deliver it you. I hope you will enable me to send them a satisfactory Answer. It would be impertinent in me to say more to one so well informed as you are of these Nations, and of their absolute Authority over all the *Indians* bordering upon us, or of the Advantages of maintaining a strict Friendship with them at all Times, but more especially at this critical Juncture.

I am, Yours, &c.

An Account exhibited by *Conrad Weiser* of his Expences upon the *Indians* and *Indian Affairs*, from February last to July 1. 1742, amounting to £.36 18s. 3d. was laid before the Board, and examined, and allow'd to be a just and very moderate Account. And

And the Board taking into Consideration the many signal Services perform'd by the said *Conrad Weiser* to this Government, his Diligence and Labour in the Service thereof, and his Skill in the *Indian Languages* and Methods of Business, are of Opinion that the said *Conrad* should be allowed, as a Reward from the Province at this Time, the Sum of *Thirty Pounds*, at least, besides Payment of his said Account.

CONRAD WEISER, Interpreter,

And a great Number of the Inhabitants of *Philadelphia.*

The Governor spoke to the *Indians* as follows.

• B R E T H R E N,

• This Meeting will be short: It is in order to make you a Present from the Governor, the Council, the Assembly, and all our People. *William Penn* was known to you to be a good and faithful Friend to all the *Indians*: He made a League of Friendship with you, by which we became one People. This League has often since been renew'd by friendly Treaties; and as you have declared that the Friendship shall always last on your Parts, so we would have you believe that it shall remain inviolable on ours while Sun and Moon endure.

‘ I gave you some Expectation of a Present, and we
 ‘ have it now ready to deliver to you. This Present is
 ‘ made you by the Governor, Council, Assembly, and
 ‘ all our People, in Consideration of the great Miseries
 ‘ and Distresses which you our good Friends have lately
 ‘ suffered. This will be some Relief to you for the pre-
 ‘ sent, and ’tis to be hoped your own Industry will soon
 ‘ retrieve your Circumstances.

‘ It has sometimes hapened, and may happen again,
 ‘ that idle and untrue Stories are carried to you concern-
 ‘ ing us your Brethren ; but our Desire is, and we expect
 ‘ it from you, that you will give no Credit to them ; for
 ‘ we are, and always will be, your steady and sincere
 ‘ Friends

‘ It is a Custom when we renew our Treaties with our
 ‘ good Friends the *Indians*, to clear the Road and make
 ‘ our Fire burn bright : We have done so upon this Oc-
 ‘ casion ; and, in Token of our Sincerity, we deliver
 ‘ you, as a Present from the Governor, the Council, the
 ‘ Assembly, and all the People of *Pensylvania*, the fol-
 ‘ lowing Goods, viz.

24 Guns,	50 Hoes,
600 Pounds of Lead,	50 Hatchets,
600 Pounds of Powder,	5 Pounds of Vermilion,
25 Strowdes } Match-	10 Dozen of Knives,
90 Duffel } Coats.	8 Dozen of Gimbles,
30 Blankets,	2 Dozen of Tobacco-Tongs,
62 Yards of Half-Thicks.	25 Pair of Shoes,
60 Ruffled Shirts,	25 Pair of Stockings,
25 Hats,	25 Pair of Buckles.
1000 Flint,	

Whereupon the Chiefs and all the *Indians*, returned
 - their solemn Thanks ; and *Canassatego* said, ‘ They had
 ‘ no more to say as to publick Business at present ; but
 ‘ they had somewhat under Deliberation, which when
 ‘ they had duly considered they would communicate.’

At a COUNCIL held at the PROPRIETOR'S,

Nicholas Scull,

CANASSATEEGO said :

‘ BRETHREN the Governor and Council,
‘ The other Day you informed us of the Misbehaviour
of our Cousins the *Delawares*, with Respect to their
continuing to claim, and refusing to remove from some
Land on the River *Delaware*, notwithstanding their
Ancestors had sold it by a Deed, under their Hands and
Seals, to the Proprietaries, for a Valuable Considera-
tion, upwards of *Fifty Years* ago ; and notwithstanding
that they themselves had about Years ago,
after a long and full Examination, ratified that Deed of
their Ancestors, and given a fresh one under their
Hands and Seals ; and then you requested us to remove
them, enforcing your Request with a String of *Wampum*.—Afterwards you laid on the Table our own Let-
F ters

' ters by *Conrad Weiser*, some of our Cousins Letters, and
 ' the several Writings, to prove the Charge against our
 ' Cousins, with a Draught of the Land in Dispute.—We
 ' now tell you, we have perused all these several Papers :
 ' We see with our own Eyes, that they have been a very
 ' unruly People, and are altogether in the Wrong in
 ' their Dealings with you.—We have concluded to re-
 ' move them, and oblige them to go over the River *De-*
 ' *laware*, and quit all Claim to any Lands on this Side
 ' for the Future, since they have received Pay for
 ' them, and it is gone thro' their Guts long ago.—To
 ' confirm to you that we will see your Request executed,
 ' we lay down this String of *Wampum* in Return for
 ' yours.

Then turning to the *Delawares*, holding a Belt of
Wampum in his Hand, he spoke to them as follows :

‘ C O U S I N S,

' Let this Belt of *Wampum* serve to Chastise you. You
 ' ought to be taken by the Hair of the Head and shaken
 ' severely, till you recover your Senses and become sober.
 ' You don't know what Ground you stand on, nor what
 ' you are doing. Our Brother *ONAS*'s Cause is very just
 ' and plain and his Intentions to preserve Friendship.
 ' On the other Hand, Your Cause is bad ; your Heart
 ' far from being upright ; and you are maliciously bent
 ' to break the Chain of Friendship with our Brother
 ' *ONAS* and his People. We have seen with our Eyes
 ' a Deed sign'd by *Nine* of your Ancestors above *Fifty*
 ' Years ago for this very Land, and a Release sign'd, not
 ' many Years since, by some of yourselves and Chiefs
 ' now living, to the Number of *Fifteen* or upwards.—But
 ' how came you to take upon you to sell Land at all ?
 ' We conquered you ; we made Women of you ; you
 ' know you are Women, and can no more sell Land than
 ' Women ; nor is it fit you should have the Power of
 ' selling Lands, since you would abuse it. This Land
 ' that you claim is gone through your Guts ; you have
 ' been

' been furnish'd with Cloaths, Meat, and Drink, by the
 ' Goods paid you for it, and now you want it again, like
 ' Children as you are.—But what makes you sell Land in
 ' the Dark ? Did you ever tell us that you had sold this
 ' Land ? Did we ever receive any Part, even the Value of
 ' a Pipe Shank, from you for it ? You have told us a
 ' blind Story, that you sent a Messenger to us to inform
 ' us of the Sale, but he never came amongst us, nor we
 ' never heard any Thing about it.—This is acting in the
 ' Dark, and very different from the Conduct our *Six*
 ' *Nations* observe in their Sales of Land ; on such Occa-
 ' sions they give publick Notice, and invite all the *In-*
 ' *dians* of their united Nations, and give them all a Share
 ' of the Present they receive for their Lands.—This is the
 ' Behaviour of the wise united Nations.—But we find you
 ' are none of our Blood : You act a dishonest Part, not
 ' only in this, but in other Matters : Your Ears are ever
 ' open to slanderous Reports about our Brethren ; you
 ' receive them with as much Greediness as lewd Women
 ' receive the Embraces of bad Men. And for all these
 ' Reasons we charge you to remove instantly ; we don't
 ' give you the Liberty to think about it. You are Wo-
 ' men. Take the Advice of a wise Man, and remove
 ' immediately. You may return to the other Side of
 ' *Delaware* where you came from : But we do not know
 ' whether, considering how you have demean'd your-
 ' selves, you will be permitted to live there ; or whether
 ' you have not swallowed that Land down your Throats
 ' as well as the Land on this Side . We therefore assign
 ' you two Places to go, either to *Wyomen* or *Shāmokin*.
 ' You may go to either of these Places, and then we
 ' shall have you more under our Eye, and shall see how
 ' you behave. Don't deliberate ; but remove away,
 ' and take this Belt of *Wampum*.'

This being interpreted by *Conrad Weiser* into *English*,
 and by *Cornelius Spring* into the *Delaware* Language,
Canassateego taking a String of *Wampum*, added further.

‘ After our just Reproof, and absolute Order to depart from the Land, you are now to take Notice of what we have further to say to you. This String of *Wampum* serves to forbid you, your Children and Grand-Children, to the latest Posterity for ever, meddling in Land Affairs; neither you nor any who shall descend from you, are ever hereafter to presume to sell any Land: for which Purpose, you are to preserve this String, in Memory, of what your Uncles have this Day given you in Charge.—We have some other Business to transact with our Brethren, and therefore depart the Council, and consider what has been said to you.

Canassatego then spoke to the Governor and Council:

‘ BRETHREN,

‘ We called at our old Friend *James Logan’s*, in our Way to this City, and to our Grief we found him hid in the Bushes, and retired, through Infirmities, from Publick Business. We press’d him to leave his Retirement, and prevailed with him to assist once more on our Account at your Councils. We hope, notwithstanding his Age, and the Effects of a Fit of Sickness, which we understand has hurt his Constitution, that he may yet continue a long Time to assist this Province with his Councils. He is a wise Man, and a fast Friend to the *Indians*. And we desire, when his Soul goes to GOD, you may chuse in his Room just such another Person, of the same Prudence and Ability in Counselling, and of the same tender Disposition and Affection for the *Indians*. In Testimony of our Gratitude for all his Services, and because he was so good as to leave his Country-House, and follow us to Town, and be at the Trouble, in this his advanced Age, to attend the Council; we present him with this Bundle of Skins,

‘ B R E.

‘ BRETHREN,

‘ It is always our Way, at the Conclusion of a Treaty, to desire you will use your Endeavours with the Traders, that they may sell their Goods cheaper, and give us a better Price for our Deer-Skins. Whenever any particular Sort of *Indian* Goods is scarce, they constantly make us pay the dearer on that Account. We must now use the same Argument with them: Our Deer are killed in such Quantities, and our Hunting-Countries grown less every Day, by the Settlement of white People, that Game is now difficult to find, and we must go a great Way in Quest of it; they therefore ought to give us a better Price for our Skins; and we desire you would speak to them to do so. We have been stinted in the Article of Rum in Town. We desire you will open the Rum-Bottle, and give it to us in greater Abundance on the Road.

To enforce this Request, about the Indian Traders, we present you with this Bundle of Skins.

‘ BRETHREN,

‘ When we first came to your Houses, we found them clean and in Order: But we have staid so long as to dirty them; which is to be imputed to our different Way of Living from the white People: And therefore, as we cannot but have been disagreeable to you on this Account, we present you with some Skins to make your Houses clean, and put them into the same Condition they were in when we came amongst you.

‘ BRETHREN,

‘ The Business the *Five Nations* transact with you is of great Consequence, and requires a skilful and honest Person to go between us; one in whom both you and we can place a Confidence.—We esteem our present Interpreter to be such a Person, equally faithful in the Interpretation of whatever is said to him by either of us, equally allied to both; he is of our Nation, and a
‘ Member

‘ Member of our Council as well as of yours. When we
 ‘ adopted him, we divided him into Two equal Parts :
 ‘ One we kept for our selves, and one we left for you. He
 ‘ has had a great deal of Trouble with us, wore out his
 ‘ Shoes in our Messages, and dirty’d his Cloaths by being
 ‘ amongst us, so that he is become as nasty as an *Indian*.

‘ In Return for these Services, we recommend him to
 ‘ your Generosity ; and on our own Behalf, we give
 ‘ him *Five Skins* to buy him Clothes and Shoes with.

‘ *BRETHREN,*

‘ We have still one more Favour to ask. Our Treaty,
 ‘ and all we have to say about publick Business, is now
 ‘ over, and to morrow we design to leave you. We
 ‘ hope, as you have given us Plenty of good Provision
 ‘ whilst in Town, that you will continue your Goodness
 ‘ so far as to supply us with a little more to serve us on
 ‘ the Road. And we likewise desire you will provide us
 ‘ with Waggons, to carry our Goods to the Place where
 ‘ they are to be conveyed by Water.

To these several Points the Governor made the following Reply.

‘ *BRRTHREN of the Six Nations,*

‘ The Judgment you have just now pass’d on your
 ‘ Cousins the *Delawares*, confirms the high Opinion we
 ‘ have ever entertained of the Justice of the *Six Nations*.
 ‘ This Part of your Character, for which you are deser-
 ‘ vedly famed, made us wave doing our selves Justice,
 ‘ in order to give you another Opportunity of convincing
 ‘ the World of your inviolable Attachment to your En-
 ‘ gagements. These unhappy People might have always
 ‘ liv’d easy, having never receiv’d the least Injury from
 ‘ us ; but we believe some of our own People were bad
 ‘ enough to impose on their Credulity, and engage them
 ‘ in these wrong Measures, which we wish, for their
 ‘ Sakes, they had avoided.

‘ We

' We hoped, from what we have constantly given in
 ' Charge to the *Indian* Traders, that they would have
 ' administred no just Cause of Complaint : If they do
 ' you Wrong, it is against our Inclinations, and con-
 ' trary to our express Directions. As you have exhibi-
 ' ted no particular Charge against them, we shall use our
 ' best Endeavours to persuade them to give you as much
 ' for your Skins as they can possibly afford ; and to take
 ' Care that their Goods which they give in Exchange for
 ' Skins, be of the best Sort. We will likewise order you
 ' some Rum to serve you on your Journey home, since
 ' you desire it.

' We wish there had been more Room and better
 ' Houses provided for your Entertainment ; but not ex-
 ' pecting so many of you, we did the best we could. 'Tis
 ' true there are a great many Houses in Town, but as
 ' they are the Property of other People, who have their
 ' own Families to take Care of, it is difficult to procure
 ' Lodgings for a large Number of People, especially if
 ' they come unexpectedly.

' We entertain the same Sentiments of the Abilities
 ' and Probity of the Interpreter as you have express'd.
 ' We were induc'd at first to make Use of him in this
 ' important Trust, from his being known to be agreea-
 ' ble to you, and one who had lived amongst you for
 ' some Years, in good Credit and Esteem with all your
 ' Nations ; and have ever found him equally faithful to
 ' both. We are pleas'd with the Notice you have taken
 ' of him, and think he richly deserves it at your
 ' Hands. We shall not be wanting to make him a sui-
 ' table Gratification, for the many good and faithful Ser-
 ' vices he hath done this Government,

' We have already given Orders for Waggon's to car-
 ' ry your Goods, and for a Supply of Provisions to serve
 ' you on the Road in your Return home, where we heart-
 ' ly wish you may arrive in good Health.'

After

After the Governor had concluded, Mr, *Logan* return'd an Answer to that Part of *Canassateego's* Speech which related to him, and said, ' That not only upon the Account of his Lameness, of which the *Indians* themselves were Witnesses ; but on Account of another Inclination which about three Years since had laid him under an Incapacity of expressing himself with his former usual Freedom, he had been obliged to live retired in the Country. But that our first Proprietor, the Honourable *William Penn*, who had ever been a Father and true Friend to all the *Indians*, having above Forty Years since recommended them to his particular Care, he had always, from his own Inclination, as well as from that strict Charge, endeavoured to convince all the *Indians*, that He was their true Friend ; and was now well pleased, that after a Tract of so many Years, they were not insensible of it. He thanked them kindly for their Present, and heartily joined with them in their Desires, that this Government may always be furnished with Persons of equally good Inclinations, and not only with such, but also with better Abilities to serve them.'

And then *Canassateego* said, he had forgot to mention, that *Sbickalamy* and *Caxbayn*, had been employ'd on several Messages to this Government, and desir'd that they might be consider'd on that Account.

At a COUNCIL held the 12th of July, P. M. 1742.

The

The Board taking into Consideration the Regulation of the necessary Expences of the *Indians* Travelling down hither, and Returning; and upon an Estimate made by *Conrad Weiser*, amounting to about *One Hundred Pounds*, it appearing that the said Sum of 100*l.* will be necessary to be advanced to *Conrad Weiser* to defray those Expences, Mr. *Logan* on the Proprietaries Behalf, proposes to advance 40*l.* and the Treasurer declaring he had no publick Money in his Hands, and that if he had, he would not advance Money without the Assembly's Order; it is recommended to Mr. *Preslon* and Mr. *Lawrence*, to confer with Mr. *Kinsley*, and know whether he, as Speaker of the Assembly, and Trustee of the Loan-Office, will advance the other 60*l.*

And the *Indians* having requested that they might have a small Quantity of Rum, to be added to their Provisions, to comfort them on the Road: The Board is of Opinion, that there be added to the said Estimate for Twenty Gallons of Rum for the aforesaid Use. And in Return for their Present of Skins, at requesting that the *Indian* Traders be enjoyn'd to sell their Goods cheaper, the Board directs that Two Strouds be presented. And that *Five Pounds* be given to *Caxbayn* on the Account of the Province, for his Services; and to *Sbickalamy* the like Sum.
